Many see the world as a broad expanse of space including planets, stars, and satellites. But the real world starts within ourselves. We make up the world. It starts with birth and expands as we grow older to include the knowledge and experience that we feed into it until one day we emerge as adults, ready to join with other worlds and influence those which are developing.

Well, the year has ended, almost as quickly as it began. We have been through a lot with the construction going on. Sometimes it's been hard to adjust to, but with your love and care we have made it through the year.

To the Seniors of 1980: Next year will be your last year in high school. Don't waste it. It will be graduation day before you realize it, and then it's too late.

I would like to leave you with two thoughts. First, hang on to your traditions. Sunset has built up many traditions and if you take them away, you're taking away Sunset's spirit. Second, you only get out of Sunset what you put into it. If you give it your best you will be blest with the spirit of Sunset and it will never leave you.

I love you all.
May God bless you,

Well, it's finally over. My three years here at Sunset have really gone fast. I hope the seniors will remember all the great times we have had here at Sunset. I know that a lot of you will hold these memories close to your hearts, as I will. I hope seniors in the years to come will have as great a time at Sunset as I have had. Just remember to hold onto all the traditions, for that is what Sunset is built on.

To the Seniors of 1979: I wish you the best of luck in the world.

God Bless You All,

Kevin McCourt

This has been a year of many changes. Not only physical changes in the structure of Sunset, but also changes in the Bisons inside.

Our time here at Sunset has been one of the most memorable periods of our lives. Yet, we must not go through life living on our memories alone, but we must constantly strive forward according to our capabilities.

To the Seniors of 1979: I feel sorry for any of you who believe that you are as much now as you ever will be, and that this year was all you had left. For this year marks the end of your pasts and heralds the beginning of your futures. Remember: "anything you want is in the world waiting; all you need is to find it."

Good luck and a good life to all the terrific Seniors of '79.

"A TOUCH OF TOKYO"
Hiroka Arima

In the past years, Sunset has had many foreign exchange students from many different lands. This year's foreign exchange student, Hiroko Arima, from Tokyo, Japan, has brought a touch of the Orient to Sunset as well as Texas.

This year Hiroko has become a true BISON, and an inspiration to all who know her.

Dear teachers and students of Sunset,

I would like to say thank you to everyone for the help and kindness you have given me. It has been a very interesting year, and I have learned many aspects of American life. My school in Japan is very different from Sunset. We don' have football, so I have enjoyed going to the games, and being a member of the Bisonettes very much. I have enjoyed going from class to class as in Japan only the teachers change classrooms.

I will go back to Japan with many fond memories of my friends here at Sunset. Thank you everyone for making this year very happy for me. In closing, I would like to say "MATAAVKOTOONOZONDE," which means "I hope to see again."

Yours sincerely,

Hiroko Arima

The Show Must Go On

This year, even though Sunset underwent renovations throughout its building, assemblies were still presented as scheduled. Although it was sometimes very noisy because of the drills and the seats were covered with dust, the students handled the uncomfortable conditions very well.

Crawford

Getting Acquainted

Freshman orientation brings many new frightened students to the home of Bo Bison. On this day, the Freshman class was introduced to Sunset's special traditions such as the Freshman clap, kissing the Bison head, carrying trays and "fun" things like that!

An "Annual" Affair

To promote sales, the Sundial staff presented their "annual" assembly. The theme was set around "The Wizard of Oz" with Dorothy looking for the great Sundial. The traditional pep assembly followed with the girls' football team and the boy Bisonettes.

Homecoming Brings Words of Wisdom

Crawford

The most special and meaningful assembly is the Homecoming pep assembly. Bo speaks his words of wisdom, putting many Seniors in tears for this will be their last year as students of Sunset to hear Bo's speech.

No Communication Gap Here!

KLIF's disc jockey, Ron Chapman, presented an assembly to show the different kinds of communication throughout the world. He presented a slide show accompanied with rock music to display different communication systems such as the newspaper, radio, television and travel. On the same evening an hour on KLIF radio station was dedicated to Sunset.

Jazzing It Up!

The "Sunsetter" assembly presented by the lab band led the student body in a mini-jazz concert. The songs were "Brazalia," "Sun Dragon," "Now and Then," "The Buzz," and "Count." The band put on an especially good show and it helped to break the monotony of school life.

'Tis the Season to Be Jolly!

Christmas would not be the same without the choir concert. Each of the five choirs, directed by Mr. Gary Petty and Miss Susan Soward, sang Christmas songs for the student body. To end another perfect day with another tradition, Concert Choir and A Cappella caroled through the halls.

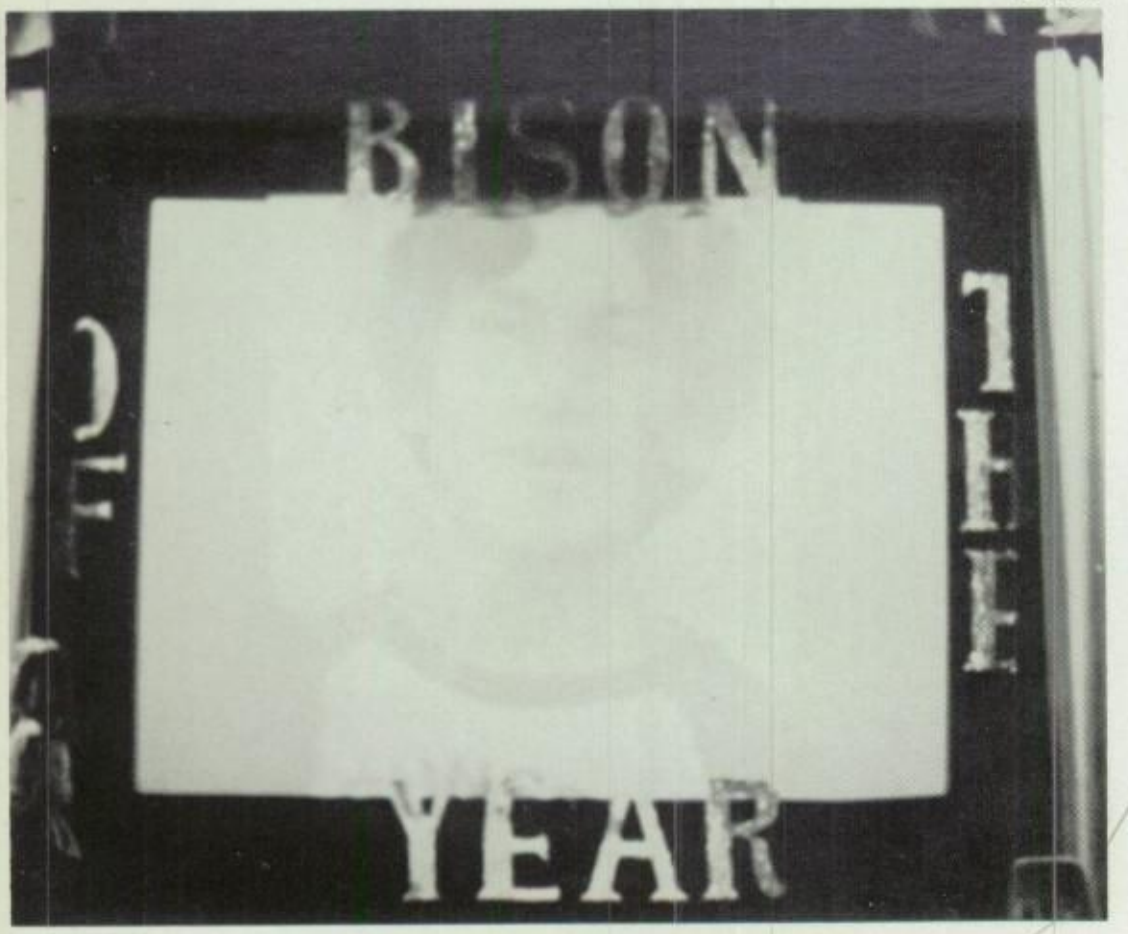
The most elaborate assembly is in honor of the Sundial Favorites. This year the theme was "Garden of the Gods". To give an air of the Roman days, members of the Sundial staff wore togas and read the names of the winners from scrolls.

Just Getting Started

Junior Achievement presented an interesting opportunity for the ambitious students of Sunset. It offered the aspect of a "Teenage Business World" where the teenager runs his own business. Many students were enthralled and are now on their way into the world of business.

Locke



A True Bison

The assembly awarding the highest honor each year is the Stampede "Bison of the Year" assembly. Twelve senior students were selected for their outstanding abilities, citizenship and leadership. From these twelve one student is chosen to represent and uphold the name of a true "Bison." This year, Ernest Lopez was awarded this highly respected position.

Crawford

A Valentine for Mine

February 14th was not only Valentine's Day, but also when the Sweetheart and three Princesses were chosen. In addition to the assembly, valegrams were sent out among loves, friends, and even enemies. This is when everyone truly "kisses and makes up."

Candlelight and Roses

On February 20th, the new members for National Honor Society were chosen. On February 26, the newly chosen members were installed with the traditional candlelight induction. Sunset's "pop" vocal group, Sunrise, provided musical entertainment for the occasion.

Crawford

To Cheer You Up!

Crawford

On Friday, February 23, the Cheerleader finalists performed in front of the student body. Afterwards the students placed their votes for the 4 boys and 4 girls whom they think will promote the most spirit and cheer for the various teams. Congratulations and good luck to the new squad.

This Award is given to the senior student of Sunset High School who through qualities of leadership, loyalty, responsibility, and dedication to the ideals of the Bison tradition, has won the respect and confidence of those with whom he has been associated in his three years at Sunset. The Bisons opened with a 37 to 18 rout of the Texans of Arlington Sam Houston. The first score came when senior Q.B. Cris Salazar threw an 84-yard bomb to Dannis Harris.

At the half Sunset had a slim lead, but the Bisons exploded for 30 points in the final two quarters, giving the Bisons their first win.

Pine Tree — For the yearly out-of-town game the Bisons traveled to Longview to battle with Pine Tree Pirates. Sunset fought long and hard for three quarters but could manage only seven points on the board. In the fourth quarter, mistakes killed Sunset as Longview came from behind to score two late touchdowns.

South Oak Cliff — District play opened with a 28 to 10 loss to the Golden Bears. Despite outstanding efforts from the Bisons in the second half of play, the lead was too great for Sunset to overcome. This accounted for Sunset's second loss in the season and the first in district.

Madison — Again mistakes kept a win from Sunset's grasp as the Bisons fumbled 4 times, once in their own end zone. The Trojans capitalized all but one fumble into T.D.'s and the final score was 34 to 0.

25 R. Ybarra, SR, DB, Lt. 2, 60 K. McCourt, SR, LB, Lt. 2 Locke

Roosevelt — Passing was the name of the game for the Mustangs and the Bisons could not stop the bombs from falling. Even though Paul Clayborn, Cris Salazar, and Dannis Harris turned in very good efforts for the night, they could not stop the final outcome of the game, 31 to 0.

Kimball — The Bisons went into the game with a 0-3 district season. Kimball took a 20 to 6 lead over the Bisons but Sunset would not give up. In the fourth quarter Sunset scored on a fumble recovered by Joel Fain at the one. Then, Jimmy Davis went in, shortening the margin to 20-14. But the Knights stopped Sunset in the fourth quarter at the 10, 25, and 15-yard lines to preserve the victory.

North Dallas — The Bisons took to the field hungry for a win against the Bull- dogs. In the first half scoring was started with a 10-yard run from Paul Clayborn. Then a seven-yard run gave Sunset a 14 to 0 lead. At the beginning of the second quarter Ray Payne kicked a field goal, and then the Bisons scored again with a T.D. pass to Dannis Har ris and Cris Salazar went over for two points. In the fourth quarter, mistakes let the Bull- dogs come within 9 points of defeating the Bisons. But the final score was 27 to 19, giv ing Sunset Bisons their first district win.

Pinkston — The Vikings were ahead for three quarters, but the Bisons, led by Cris Salazar, Paul Clayborn, and Robert Brodner, stayed within striking distance. As the fourth quarter was coming to an end the Bisons launched a final drive, overcoming the Vikings 20 to 14, for a second Bison victory.

Carter — The Bisons were on the board first with a guard around to Paul Millsap to put Sunset ahead 7 to 0. But that was all the Carter defense would give up for the night. Adamson — The yearly Homecoming game was now upon Sunset. Late in the opening quarter, senior Q.B. Cris Salazar ran for a 30-yard scoring scamper to give the Bisons their first touchdown. Then Ray Payne made the point after to make it 7-0. That's how the first half ended. At the beginning of the second half Ray Payne kicked a 29-yard field goal to make it 10 to 0. The Leopards scored late in the fourth quarter, but it was not enough to overcome Sunset.

The Junior Varsity of '78-'79 were most impressive this season. Although they lost last year's coach, the job was filled by last year's Freshman coaches Bill Wakeham and David Caldwell. Key injuries at the beginning of the season kept the J.V. winless until they had two late victories in the season. Next year's Junior Varsity promises to represent Sunset in the true Bison winning tradition with up-and-coming Juniors and Sophomore of the Year, Robert Brodner.

The goal of this year's tennis team is to win the District Championship for the third year in a row. With outstanding doubles players Dena Carvell, Kim Fite, David Dowers, and Don Yen, and with outstanding single players In Sue Kim, Colleen Gallagher, Jane Khouw and Richard Khouw the chances are highly favorable. This year's new coach, Pat Wilder, is building a strong J.V. Team to keep up the winning tradition.

Pan Am is a highly energetic group of young Bisons who participate in a wide range of activities. Included in these are: Children's Halloween party, paper drive, bottle drive. In competition at Richardson High School called "Noche Rlore cia," they won 2nd place in vocal and 3rd place in dance. They went to Thelma Boston Crippled Children's Home. They participated in UNICEF, a bake sale, a football game with Latin Club, Foreign Language Olympics and they had an auction. Sunset surely has something to be proud of in this highly active Pan-Am organization.

Latin Club
"Toga!!! Toga!!! Toga!!!

This year's Latin Club has been very active. They had a Latin club picnic to start off the year and went to Italy, Texas, Oct. 28. They even had their own slave auction day. WOW! What a way to get even! The club toured the Pompeii exhibit on Jan. 26. This well-informed club planned and celebrated Caeser's birthday on May 26. They later learned he was born in July!

It's been really fun knowing you this year. I hope next year we'll still be friends. You've been real nice to me and you're one of the best friends I have. I hope we see even more of each other next year. It will be fun in Pan-Am cause we're all going to the Convention and you better go cause it won't be fun without you. I'm also glad you made BISONETTES. I'll be looking for your sexy legs next year. For real you're one of the very, very, very best friends I have and you're just a wonderful person to be with. Have fun this summer and May God Bless you where ever you are. Stay sweet + pretty and I'll see you next year.

Who's Who

Persons who achieve the honor of being named in Sunset's Who's Who do so by their hard work and dedication to many of Sunset's activities during their years at Sunset. Being named to Sunset's Who's Who is the highest honor for those who have collected many honors. Grades are considered, not as a deciding factor, but as a part of the over-all top Bison. The people who receive this honor have upheld Sunset and Sunset is proud of them.

Persons who have done an outstanding job in only one or two areas of activities, will be overshadowed by those who have been active in several areas.

The honor of Who's Who is bestowed by the SUNDIAL Staff Seniors. The nomination and election of Who's Who is supervised by the SUNDIAL Sponsor. When electing for the winners, the staff makes their choices by voting both open-mindedly and objectively for those who have accumulated enough honors.

Sunset

Dear Bisons,
You have had the opportunity to be a part of the renovation of Sunset High School. You have responded beautifully to the challenge. You have accepted the inconvenience as necessary for a better tomorrow.

I have been pleased with the way students and teachers have continued to carry on a fine program of activities and classes even though it has been difficult at times.

We are a part of a great institution in this great city. We will be extremely proud of our new facilities when they are completed next year.

To our seniors: You have offered the leadership for a great year. You have led us through a history-making event. Be proud that you have been part of both the old and the new. As you join the vast number of former students, you can look back and say, "I helped in the improvement of Sunset High School."

Yes, all of you have had the opportunity to make Sunset an even better place for the students of tomorrow.
